Dedication

We are very proud to dedicate AQUILA 1974 to a devoted Christian couple who has dedicated their lives to helping young people. Mrs. Armstrong's Home and Family classes will never be forgotten by her students. She is responsible for much of the happiness of many young couples. Coach Armstrong's greatest reward as a football coach comes in helping to mold boys into strong responsible men. Contributions that the Armstrongs have made to Erwin are immeasurable and we hope this dedication will be received as a small gift of our appreciation from the students of Erwin High School.

I AM A STUDENT

Mrs. Armstrong directed the very successful senior play, "Cat O'Nine Tails." The cast was made up of Doug Garnto, Don Weems, Jeri Lynn Campbell, Pam Guthrie, Paulette Logan, Debbie Carter, Bonita Wilemon, Ken McClellan, Denisa Baker, Terry Harrell, and Steward Jones.

Senior Play Was Fun But Graduation Took Top Billing

Mrs. Pettry, senior sponsor, and the class officers lanned a very impressive graduation. In evidence were ne traditional red, white, and blue tassels of class officers and gold ropes of honor society members. Decorang the stage was a huge arrangement containing wild owers which had been chosen as the class flowers. Mr. lughes presented diplomas to 283 seniors.

At Intrasquad Game

The team was divided by the coaches for Erwin's first intrasquad game. Coaches Wood and Blair were pitted against Coaches Jeffrey and Combs. Coach Wood's Red Eagles defeated the White Eagles 24-14. Quarterback, Rod McSweeny, was voted outstanding offensive player by the team. Senior, Lynn Hayes, was voted outstanding defensive player for three interceptions and one fumble returned for a touchdown. This game ended the 1973 spring training and kicked off the 1973 football season.

Four sessions are too few for some who find it necessary to get information second hand.

Seniors Enthusiastic For College Day

Twenty-one Alabama colleges sent representatives to the annual College Day. Senior attendance was excellent and contributed to a very successful day. Guidance office assistants acted as teacher and student hosts. This experience helped many students to make their final choice of a college.

As a show of appreciation to Seniors for their outstanding participation during College Day, Mr. Hughes gave them the rest of the day off.

Fifties Pep Rally Brings Walls Down

To promote spirit for the last football game of the season the Seniors organized a "Fifties Day." Girls were seen in long skirts, bobby socks, and sweaters. Boys wore rolled-up bluejeans and white socks. The favored hair styles seemed to be pony tails for girls and "the wet look" for boys.

The climax of the day was the "Fifties Pep Rally". As the students filled the gym the band played such old favorites as "Rock Around the Clock." The cheerleaders led the crowd in cheers honoring the football team while the students prepared skits. In the first skit Shana Burns, Judy Fortenberry, Pam Chandler, and Sherry Smith pantomined the "Leader of the Pack." Sherry Smith's dying scene at the end of their skit brought both laughs and applause. A band consisting of Jimmy Williams, Earl Waller, and Johnny Williams played rock and roll music while a group of Seniors did the Bunny Hop. Then they broke out into a fast song and these Seniors demonstrated some of the favorite dances of the fifties.

The walls of the gym shook as people danced and cheered. Cracks actually formed along the Freshmen and Juniors' side of the gym. Some of the students termed this pep rally as "the best we've ever had." It certainly achieved its purpose.

At Christmas the Jefferson County Council of Student Governments requested each school organization to raise money for the county home for the aged at Ketona. Erwin SGA put together a very entertaining program which was climaxed by an all-male presentation of "Swan Lake."

Fashion-minded Girls Attend Y-Teen Assembly

An assembly was held by Debbie Durant of the She Shop for senior high girls interested in this year's new fashion ideas. The Senior Y-Teens modeled selections that they had chosen according to their own tastes. Door prizes were awarded at the end of the show. A fifteen dollar gift certificate to the She Shop was won by Vickie Simmons and S. Elaine Jones was awarded a ten dollar certificate. The money earned by the twenty-five cent admission charge was used to buy Christmas presents for Partlow.

Fashions Benefit Wrestlers

To finance the new wrestling equipment, Coach Jeffrey decided to allow the wrestlers to show off their '74 fashions. They selected their own costumes, some of them modeling after their favorite teachers. The first half of the show ran smoothly except when heavyweights, Greg Key and Mike Lanthorne, almost lost their bikinis.

Coach Jeffrey, impressed by the off-stage performances of Chris Pappas at previous pep rallies, asked him to top the fashion show.

The Senior and Junior Who's Who Among American High School Students were chosen by a board of faculty members. These students were recognized for their grade average and their leadership ability among the students.

Representing Erwin at Girls' and Boys' State were Lee Bryant, Mike Blocker, Steve Kelley, and Johnny Coker. These students went to Montgomery to learn about their government and to learn how to be better citizens.

Harold Tynes, not pictured, was also an honor student. He was a semifinalist in the National Merit Scholarship Qualifying Test on which he received a 99 percentile rating. This meant only one per cent of all students who took this test across the United States scored higher than Harold.

Each year the search for the most well-rounded students is climaxed by the Mr. and Miss Erwin pageant. The pageant is only the appearance phase and represents about one fourth of the contest. Individuals may be sponsored by homeroom teachers, clubs or may enter through their own initiative. The Top Twenty is determined from entry blanks based upon grade point average, club participation, and honors received. The second round of judging is before a faculty committee who awards points in the attitude and character areas.

Homecoming Parade

The parade began at 3:30 after a long, hard day of preparation. It was long awaited and the students were filled with enthusiasm. The crowd lined the streets eagerly looking on. The F.T.A. entered a car covered with ballons. The French Club sported a colonel atop their car. The Erwin Ambulance Service was provided by the Science Club.

The air was filled with eagerness and anticipation as Janice Weed, escorted by Kenny Bramlett, was crowned Miss Homecoming 1973 by Lynn Weldon, last year's winner. Rachel Pettry, escorted by Keith Lee, was first runner-up. Glenda Newton, escorted by Mike Thomas, was second runner-up. Pam Bridges, escorted by Paul Anthony, was third runner-up. Kathy Smith, escorted by Jimmy Overstreet, was fourth runner-up.

Brown Bags Are In Evidence

As school opened this year the price of lunches increased to fifty-five cents due to higher food costs. The result was shorter lunch lines and more "brown bagging." Teachers were also seen getting into the act.

A Vital Part Of A Winning Season

Stretching their muscles, Erwin players are shown readying for practice.

Coach Jeffery talking to a few of the team about assignments for the upcoming game.

At the beginning of summer while others swam and played around, a group of Erwin footballers settled down to practice sessions. One drill a day in the morning usually stifled most other activities but Erwin was determined to be a winner. Twice-a-day sessions began before camp at Nauvoo. Here a feeling of togetherness united the team.

Some of the comments from players concerning practice were; "Practice hard to have a good team and create mental toughness." "Practice builds a person's pride and stamina—prepares him for the coming game physically and mentally." "It is rough! Work hard every day and on Friday it all pays off." Most of us did not like Nauvoo though we knew it was necessary."

Leadership-Key To Winning

College and professional football players are of a better breed than ever. Most people agree this is due to better all around high school coaching. Erwin's coaching staff is no exception with John Armstrong serving as head coach handling the offensive backfield. Others on the staff are Jim Jeffrey, offensive line; Tommy Combs, defensive backfield; Richard Wood, defensive line. They meet all through the day reviewing film, preparing for opponents and just plain talking football. Erwin's team did a great job this year. Much of the credit can be given to the coaching staff.

Hopes fly high at the beginning of the season for a new Erwin team under its second year of coaching by John Armstrong. Most of the players know his system and perform well to it. Losing two powerful backs from the offense, Coach found Steve Barber, who previously played defense, Steve McLaurin, a returning back, and Mike Clements. Sammy Russo earned a job in the backfield. Rod McSweeney and Carl Huffstutler shared quarterbacking assignments throughout the season.

Lynn Henderson and the big eagle, Mike Guthrie, bring on the spirit in an effort to uproot the Vikings.

Eagle Defense Drops Curtain On Opponents

The Erwin defense was tough against the runs and very stingy when opponents tried to pass. Picking up a total of eleven interceptions, six by Lynn Hayes, opponents found it almost impossible to pass on Erwin.

The defense held opponents' rushes to eighty-five yards or less in seven games. They caused three or more fumbles in four games. On each occasion the offense was able to score.

7-2-1 Best Ever

The Erwin Eagles of 1973 won seven games, lost two and tied one. This was the best record Erwin High School has ever had.

Coach Armstrong said the reason that this team was so great was their togetherness. Erwin was noted by other coaches as being aggressive, tough, and fast.

The fact that this was Erwin's best season ever is illustrated in the fact that Erwin placed four players on the All-County Team. Lynn Hayes, Freddy Biddy, Stanley Sims and Steve Barber made first string All-County for the Birmingham News.

Grapplers Work For Success

The wrestlers this year have worked hard to develop our winning team. Dieting, experiencing wrestling, and sweating made up a great deal of the wrestling day. Coach Jeffrey worked his dedicated wrestlers hard, but this made, not only better wrestlers, but better individuals of the Erwin Matmen.

A Winning Tradition

Wrestling is a winning tradition at Erwin. Coach Jeffrey, who never wrestled before, is coaching the winningest team in Jefferson County. Most wrestlers were expecting an undefeated season and a state championship in wrestling. Hueytown and Berry slipped up on the Eagles, and an undefeated season will have to wait until next year.

They Combine To Win

Joe Deatherage, only a sophomore, was in his first year as a varsity wrestler and promised to be great. Allen Muncher was moved up one weight class and wrestled at his best this year. Mike Carter, also in his first year, showed promise for coming year. Frank Brown moved out the starters and took over first position at 119. Stan McClain has been wrestling at Erwin from as far back as most can remember, and is one of the best to ever wrestle at Erwin. Eddie Kennemur was in his fourth year as a wrestler and took over the Chattanooga Championship at 132. Sam Pearson was scaring away all competition at 138. David Mewbourne, wrestling at 145, had his best year. Steve Barber, Chattanooga Champ, continued living up to his honor as possibly Erwin's best wrestler. Stanley Sims kept his reputation as a winner and was rarely beaten during his reign at Erwin. Mark Snider was wrestling at 175 and was a threat to all his opponents. Randy Helms was possibly the most improved wrestler, winning at 185. Greg Key will be around for two more years at 192. Mike Lanthorn was as small as heavyweights go, but was quicker than most.

Hours Of Practice Pay Off

Developing skill, improving accuracy, and strengthening endurance resulted from basketball practice sessions. The basketball hoopers practiced after school in preparation for coming games. The first and second teams scrimmaged against each other simulating an actual game. The experience gained from these scrimmages proved invaluable in real games.

Each week's practice varied from others, depending upon the teams to be played. Many different defenses were installed to deal with the opposition. Before any of the players could leave practice, fifty free throw shots had to be hit. By doing this exercise, the players improved their overall average.

A determined DeVenny ball club would not settle for anything less than first place. The Eagles were pleased with last years second place finish. Revenge glared in the Eagles' eyes as they squared off against the Dragons. Erwin's top position was good enough to place Tommy Holmes and Jimmy Overstreet on the All-Star team, with Jimmy Armstrong, the most valuable player for the series.

Coach Keeps Promise

Experience slung the 1974 basketball team into one of the finest years of our history. Coach Jim DeVenny, in his first year at Erwin, was forced to follow the Eagles best season ever. In 1973, Erwin placed second in the county. In '74 De-Venny vowed we would win it all. His predictions came true. Jimmy Overstreet and Dave Wilson were responsible for most of the rebounds pulled down. They also scored the points from inside. Jimmy Armstrong, Tommy Holmes, and Donnie West were the bombers from the outside. Dink Tucker, Overstreet, Armstrong, Holmes, Wilson, and West will all be missed from the line-up next year. Gary Stewart, Steve Sowers, Mike Blanks and Martin Eubanks added to Erwin's strength and will supply most of the power next year.

Woods Paces Eagles To Second In County

The Erwin 1973 track team went with three wins and ree losses. Under Coach Wood the track team placed cond in the county behind Berry.

The mile relay team was probably the most exciting oup at Erwin. David Anthony, Ray Pair, David Eskridge d Mike Vise placed second in the state.

David Anthony placed third in the state in the 880. As a am the Eagles came in ninth in the state.

Chuck Harris practices for a perfect swing.

Many Honors Brought By Minor Sports

Golf began its first year at Erwin in 1973. The team claimed its home course to be Cumberland. All matches were played after school against other teams in Jefferson County. The starting four players were determined through practice games. Three other sports new to Erwin were Tennis, Gymnastics, and Volleyball. Tennis came through last year's season with a record of twelve wins and six losses. Gymnastics, sponsored by Miss Hare, went to many competitive meets and made a good showing in all of them. Volleyball gave girls another opportunity to compete with other schools.

Cheerleaders Win Trampoline At Clinic

The Varsity Cheerleaders, sponsored by Miss Cline, began preparing their new members last spring for new experiences of the coming year with a memorable initiation. The highlights of this event included doing cheers in the Eastwood Mall and rolling paper down the mall with their noses.

Led by head cheerleader, Jan Townsend, this group of girls held a Superior rating every night at the NCA clinic at Tennessee Tech. They also won the spirit stick, a mini trampoline for their stunt performance, and were first runners-up for the highest award, the Coca-Cola Award.

All-Star Eagles

This was Erwin's finest sports year, not only as a team, but as individuals as well. The football team set the pace landing four gridders on the All-County team. Stanley Sims and Steve Barber were selected for the county offensive team. Lynn Hayes and Freddy Biddy were selected for their defensive feats.

The basketball team had three receive All-County honors. Seniors, Jimmy Armstrong, Tommy Holmes, and Jimmy Overstreet were chosen for their rounded skills.

Erwin won the Sectional Wrestling Tournament for the first time. Sectional Champs were Steve Barber, Stanley Sims, Mark Snider, and Randy Helms. The only Champ Erwin had in the Chattanooga Central Invitational Tournament was Eddie Kennemur. Mark Snider went to win a state title in his weight class.

Coach's Shorts Are Showing

Freddy Biddy was named the most valuable player on Erwin's 7-2-1 season by his teammates. Stanley Sims was named as outstanding lineman by Coach Jeffery. Coach Armstrong selected Rod McSweeney and Steve Barber as the most valuable men in the backfield. Lou Kinney was Coach Wood's choice as outstanding defensive lineman. Lynn Hayes earned the spot of most valuable man in the secondary. The team presented each coach with gifts. A team scrapbook, an Eagle helmet lamp and a box of cigars were given to the coaches. As a reminder of Coach Jeffrey's saying to his linemen, "Kick 'em in the rear", he was presented a pair of shorts with his picture on the back.

Athletes Step Out

Many institutions across the Southeast have established a club for Christian athletes. Coach Armstrong strived to organize a Fellowship of Christian Athletes in his first year at Erwin but was held off until the 1974 season.

The organization of this club was a high point for Erwin High School. The athletes stepped out as an example for other schools in this area. Among their activities was providing gifts for needy children at Christmas as well as at their birthdays. Promoting Christian fellowship while rendering help to the school and community was another service. Living Christ-centered lives on and off campus was the main goal of the FCA.

Academic Excellence Is Awarded By Honor Societies

The Junior and Senior Honor Societies encouraged good school work by honoring students with leadership ability and academic excellence. Membership was based on character, leadership, service, and scholarship. A minimum scholarship rating of 3.5 and 3.5 rating from a panel of teachers enabled students to enter these organizations.

Projects completed by the Junior Honor Society included a car wash and a float for Homecoming. A tapping ceremony was held in February to welcome new members.

The Senior Honor Society sponsored the Awards Day Assembly. This was a day of recognition for individuals with outstanding accomplishments in a particular area.

The tapping of new members into the Society was held in March. A tea honoring these new members and their parents was held after the assembly.

'74 Aquila Staff Uses New Ideas

For the first time members of the annual staff attended a workshop. Kathy, Terry, Shelly, and Bruce spent a week in August at Camp Cosby on Logan Martin Lake. Classes on yearbook techniques and photography were held twice a day. The afternoons were filled with such activities as canoeing, swimming, water skiing and horseback riding.

The new knowledge and ideas gained from this workshop were put to use by all the members of the staff. Some of the goals of the staff were to produce a bigger book with more color pictures in it and to add candid pictures throughout the book. An index to aid in finding pictures of particular subjects or students was also added.

German Is Added To Curriculum

Students had their first taste of German this year. The Freshmen had a wider choice of foreign languages from which to select with German being included. It was a very popular subject especially with students in the ninth and tenth grades. There were five classes the first year. We were happy to find Mrs. McCracken who was already on our faculty and qualifies to teach German. She was able to make it more interesting because she lived for some time in Germany.

Majorettes Active In Many Areas Of School Life

The Majorettes include honor roll students who also hold first chair positions in the concert band. As a group they received a superior rating at the Marching Festival at Tarrant High School this year. They attended a summer camp at Jacksonville State University and returned with trophies for the best group in all aspects of camp life and twirling competition.

These girls remained active throughout the year. They participated in half-time shows for basketball games and the community Christmas parade. Head majorette, Kathy Hardwick, served as co-chairman for the March of Dimes effort.

Erwin can be proud of this group who represented our school well.

Erwinettes Receive Recognition As Best High Steppers In County

The Erwinettes, sponsored by Mrs. Stone, became one of the favorite types of entertainment at pep rallies, assemblies and sports events. They received trophies for the best drill team and best all around group during camp at Auburn. These girls give up a lot of time to practice which was one of the reasons for being the best.

Erwinettes practice new routine.

Choral Department

Led by Mr. Wallace Huey, Erwin's Choral Department has been very active. Earlier this year, the choir was asked to perform at a very important P.T.A. meeting at Shades Valley High School. The Eighth and Ninth Grade Girls Chorus, and Concert Choir made the meeting a success. While all of the choirs participated in the Christmas concert, the Concert Choir, Girls' Ensemble, and Erwin Singers toured to Columbus, Georgia by special invitation. They sang at a beautiful Episcopal church in downtown Columbus and also a neighboring high school, representing Erwin well!

For Choral Department

The hardworking students in the Choral Department have worked all year raising money to support its many activities. Along with selling "World's Finest" candy, Zayre Department Store offered to pay the choir for its help in taking inventory.

At the Spring Concert, the outstanding students in the choir received honor awards for their hard work and devotion to the choir.

Senior Class Donates Money To Library

The Senior Class sold candy to help raise money for their class project. Larry Haefner, class president, presented a check for \$1000.00 to Mr. Hughes to be put in the library account. The library planned to use this money to buy new books that would be on a higher academic level. These books could be a great help to students doing research for reports and term papers.

SENIOR CLASS OFFICERS Front Veta Bailey, Historian; David Tyler, Sergeant-at-arms; Veronica Gilliland, Poet; Zolinda Zbinden, Treasurer; Larry Haefner, President; Kathy Treadaway, Secretary; Mrs. Pettry, Sponsor. Back George Yarbrough, Sergeant-at-arms; Jimmy Williams, Vice-President; Johnny Williams, Artist.

Principals Make Time For All

Students and teachers coming in and out of the principal's office left little time for them to rest. No matter how busy their schedule might be there was always some time for a student or teacher who was in need of advise. For this reason the student body and faculty highly regarded the easy-goingness of their principals.

Guidance And Office Staff

Evelyn Brown helps students checking in and out.

The office, an essential part of Erwin High School, is mostly accredited with the smooth-running of the school. These ladies can be seen filing records, keeping books, and informing the school through the intercom system.

The Guidance Department takes an active interest in the activities and problems of all students. They assist in the selection of colleges and give achievement tests throughout the year. The student body wishes to express their appreciation to these eight ladies who keep Erwin High School running.

Mrs. Hardy and counselors discuss schedule for club pictures.

Library Helps Students With Class Assignments

The library is an essential part of Erwin High School. It is an aid to teachers and students in their search for information. Library assistants are students who keep the library orderly and clean. These people help you to locate books and to check them in and out.

In such a well-equipped library one may find books of all types. Magazines and school yearbooks may be checked out for pleasure. The library is necessary to students doing research papers or reports. Over 4,000 books are checked out monthly from a large collection of fictional and biographical volumes.

Mrs. White and Mrs. Strickland help students check books.

Xerox Machine Aides English Students

English research papers were required of the Junior and Senior students this year. They were made much easier by the Xerox machine which was a new addition to the library. The study of grammar helps pupils to communicate more easily among one another. Through the study of literature the department hopes to develop an understanding of the student himself.

Math Courses Offer New Fields of Study

Offered to the Erwin students in the mathematical field this year were Algebra, Geometry, Calculus, Trigonometry and General Math. Students taking these courses learn to apply what they have been taught to many new areas of life. The math teachers try to give the students the needed knowledge for future college courses.

Science Classes Prepare Students For the Future

Four physical sciences were offered to the Erwin students this year. These included biology, chemistry, physics and general science. Biology, taken mostly by sophomores, involves students in their first year of disecting. Chemistry, another elective, is taken by juniors and seniors who work with confusing equations. Physics prepares seniors for college by helping them learn to reason. General science, for the first year, is not required of freshmen but may be taken as an elective.

Social Studies Builds

Ruth Booker Verbon Crane Patricia Dillard

Preparing students to be well-informed United States citizens was a main objective of the history department. Group discussions and class debates were frequent in American History classes. Outside reading was one way of learning in Democracy and Economics. World History, an elective, helped students relate to the world today by understanding the events of past generations. Tape recordings were used as an aid in teaching Alabama History and Civics.

James Casale Bedford Davis Bill Harvison

Vocational subjects play a major role in developing skills, work habits, and proficiency in the student. In the business department, typing, shorthand, bookeeping, clerical, business math and business law are provided. B. O. E. is a blocked class which takes in most of these courses within a two hour period. D. E., for the students who wish to work after classes, are given morning classroom instructions and on-the-job training in the afternoon. Driver's education, a course available to the students who do not yet have their drivers license, help the students to learn the skill of safe driving and to gain experience at the wheel.

Seniors take vocational interest tests.

Physical Education— Fun And Fitness

Physical Education is a way of education through physical activities. It helped to find the values in human growth development and behavior. It aimed for the same goals other educational programs did. It built well-rounded children and youth into responsible citizens for a democratic society.

Fine Arts Develop Talents In Students

The art department was headed by a new, but very capable art teacher, Mrs. Smith. She taught her classes new techniques of drawing, painting, and designing. The other fine arts included in this department were band, directed by Mr. Widener, choral by Mr. Huey, and the foreign languages. Languages offered were Spanish, French, and for the first year at Erwin, German.
